Picture Days

Our kids are growing up so fast!! Sometimes we are so busy living life that we do not take the time to memorialize it. I look back on the pictures of my son as a baby and it seems like just yesterday. Those images are magical and keep me smiling.

You should have received a flyer entitled “Tell us what you want!” Please be sure to send this flyer in with your background choice and other selections. The teachers know which days their classrooms have been assigned. If you need a preference flyer there are extras at the front desk.

As picture day nears, talk with your child about the day to help make it a fun and enjoyable experience. Your child will feel more confident knowing what to expect.

- **Clothing & Toys.** Choosing the right clothing helps to create great portraits. Your child can also bring their favorite toy to customize the photo
- Make sure your child's clothing is clean and wrinkle-free.
- Solid colors or simple patterns work better with portrait backgrounds.
- Medium to dark shades create a timeless look. Soft shades enhance lighter backgrounds.
- Avoid shirts with slogans, as photo cropping can cut words in half.
- Long-sleeved shirts are best, since short sleeves can be distracting and sleeveless tops can look too casual.
- Make sure your child's shoes and socks match their outfit, as they may show in some poses.
- Feel free to wear glasses. Our photographers are trained to adjust lights and respectfully pose your child to minimize glass glare.
- Toys are welcome! Let your child bring their favorite stuffed animal, doll, or truck for their picture to customize the sitting. (**Note:** No Weapons)
