

DSPconnect Mobile

How to Access DSPconnect from Your Phone

You must first register with DSPconnect before you can access it on your phone. Please see reverse side for more information on the registration process.

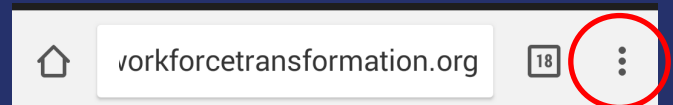

iPhone

Secure the DSPconnect URL to your home screen by clicking on the image at the bottom that is a square with the arrow pointing up.

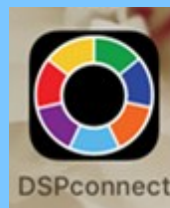

Android

Using the Chrome browser, secure the DSPconnect URL to your home screen by click the three dots at the top right to bring up your menu options.

iPhone & Android

Click on Add to Home Screen. Once the URL is saved to your screen the RCWT wheel logo with DSPconnect written below it will appear on your home screen.*

*** Please Note:** This icon may change in appearance depending on the type and age of your mobile phone.

Welcome to DSPconnect

A new private, **online community** where people who value supporting people with developmental disabilities can talk to each other, and build relationships, understanding, and ideas on the importance of Direct Support Professionals.

Register with DSPconnect

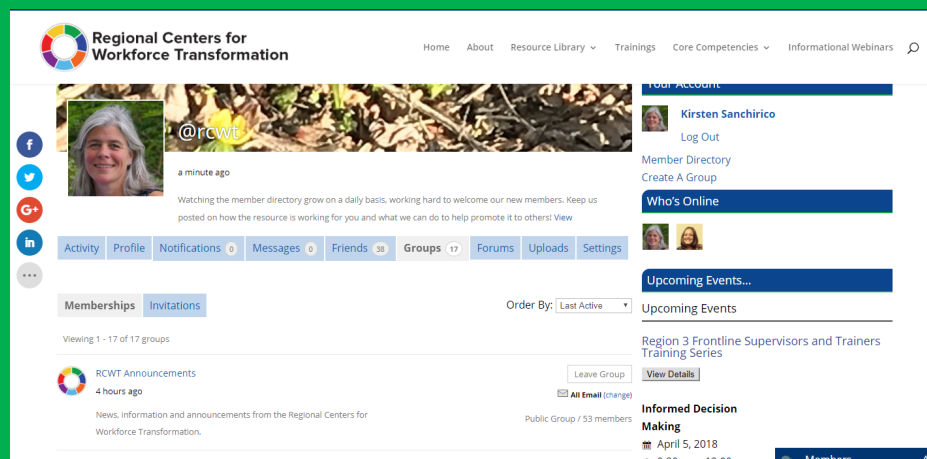

1. Visit dspconnect.workforcetransformation.org & agree to Privacy & Terms of Service.
2. Click on **Register Now**.
3. Fill out the online registration form.
4. Select YOUR **Membership Level** & the **Region** where you are located.
5. Click **Complete Sign Up**.

Add a Profile or Cover Photo

1. On your Dashboard, click on **Profile**.
2. Click on **Change Profile Photo** or **Change Cover Photo**.
3. Click **Upload** – You can either drop a file into the box or select a file from your computer to upload.

Join the Conversation for your Dashboard

1. **Write a post** right from your Dashboard, as well as add photos, video, or a link.
2. **Connect with other DSPconnect members** in the Member Directory.
3. **Private message or Chat** with other members.

More directions on how to join the conversation can be found in our online Member Guide, which is located on your Dashboard.
